

Quinceanera Choreography, Sweet Sixteen and Debutantes

Are you a teenager who has always looked forward to your big moment of and rite of passage? Are you a parent who has always dreamed of a celebration for your beautiful daughter and her transition into adulthood? If so, let us help!! U Can-DANCE offers choreography for the most special occasion of a young girl's life: her Quinceanera, her Sweet 16, or her

formal presentation as a Debutante. U Can-DANCE will incorporate your visions of that day and interpret them into the memorable presentation of a lifetime.

Our Quinceanera and Sweet Sixteen choreography consists of three dances: (1) The Group Waltz, (2) The Father/Daughter Dance and (3) The Fun Group Dance. Our choreography involves anywhere from one to ten couples dancing a routine which expresses the special celebration at hand. Our quinceanera instruction involves 4 or more hours of instruction for each of the three dances and incorporates proper posture, positioning and movement.

Our Debutante Choreography is more formal and consists of (1) A Traditional group Waltz and (2) A Father/Daughter Waltz. We also teach "The St. James Bow" and "The Hand-Off" from escort to Dad. Since the Debutante Presentation is more formal, these presentations usually take place during a Debutante Ball, Cotillion or Tea.

Overall our services include: a consultation to discuss the event, assistance with music choices, music mixing and costuming. We offer a wide variety of dance styles and will work with you to make you dance vision, a reality. Don't wait! Call us, or email us to set up an appointment. Let's get it started!!
